- See <http://www.globalsustainability.virginia.edu/minor/requirements/> for a list of approved electives each semester.
- Complete the required Global Sustainability course asap to build a foundation for your sustainability studies.
- At least 3 of the 4 elective courses must be at the 3000 level or above.
- No more than 2 of the 4 required elective courses may be taken within your Major department.
- Students enrolled in the Minor are not guaranteed admittance to elective classes.
- Course prerequisites must be met in order to enroll in some electives.
- Courses taken toward the minor may not be taken CR/NC (Pass/Fail), unless taken during the time of Covid exceptions.
- Students are responsible for verifying particular requirements of their School or College with their Major advisor, including limitations on double counting courses or the maximum number of courses permitted outside of your academic unit.
- Students may petition to count a course not listed on the pre-approved elective lists. Email Prof. Crisman with a brief explanation of why the course is relevant and attach the syllabus or official course description.
